Itinerary

Thursday, April 9

You are free to book your flight with any airline. The flights below are \$1363 per person, round trip online at unitedairlines.com. Depart LAX at 1:45am nonstop to Houston (IAH) on United Airlines flight UA204 arriving at 6:30 am on April 9 – Depart 10:18am on United Airlines flight UA1192 nonstop to San Juan (SJU) arriving at 3:45pm – Depart 4:50pm on Silver Airways flight 3M4115 non stop to Tortola (EIS) arriving at 5:35pm. Overnight at the Maria's By The Sea in Road Town, a beautiful hotel, 14 minutes from the airport and near the cruise ship port.

April 11: Road Town to Peter Island

Departing from the base at Road Town, Peter Island is just a short sail away, across the Sir Francis Drake Channel. Peter Island is famous for excellent snorkeling, diving, and water recreation. Marine life is abundant and the numerous small coves and cays provide wonderful opportunities for relaxation.

April 12: Peter Island to Cooper Island

These neighboring islands offer another day of fun in the sun & sea. Cooper Island is a relaxing and fun excursion, home to the famous Cooper Island Beach Club and one of the most romantic spots at the end of the day to watch the sun disappear behind the islands.

April 13: Cooper Island to Virgin Gorda

Going once again through the Sir Francis Drake Channel, you will approach Virgin Gorda, an island which you will explore in several locations. You will moor in The Baths, from where you can explore the "eighth wonder of the world" as some people like to call it: it is the sea area around the island, with many tunnels, caves and rock formations. After The Baths, continue sailing towards Trelis Bay, where your anchorage spot for the night will be. Once there, you can enjoy in gastronomic offer and the local nightlife. If you want to spend some quiet time, we suggest anchoring in the Marina Cay.

April 14: Virgin Gorda to Anegada

Anegada is a flat coral atoll and one of the most unique natural locations in the BVI. It's a can't-miss destination for snorkeling and diving, with an impressive variety of undersea sights and marine life. A short jaunt southwest are "The Dogs," a collection of several islands that are named for the barking seals that frequent them.

April 15: Anegada to Cane Garden Bay

Sail through the dramatic Narrows, a gorgeous area of sea that separates Tortola from St. John. You'll enjoy lovely sights of the open ocean and great opportunities for play in the water. Cane Garden Bay, one of the area's favorite anchorages. Here is one of the BVI's best beaches, along with a local rum distillery where you can pay a dollar to sample four shots of their finest!

April 16: Cane Garden Bay to Jost Van Dyke

An invigorating blue water sail to Jost Van Dyke is just what you need to recharge your batteries. Jost Van Dyke is home to an almost endless variety of bars, restaurants, and nightlife, some of the most fun places in the BVI. Why not pay the two famous bars Foxie's and Soggy Dollar Bar a visit. Hike the island's lush rainforest hills to appreciate thrilling sights on land.

April 17: Jost Van Dyke to Norman Island

Norman Island is a last chance to explore in the water, at some truly epic underwater locations. The Indians are a series of rocks that jut dramatically out of the ocean, and the legendary Caves (inspiration for Treasure Island) are on everyone's must-see BVI list. Anchor in The Bight and watch the sunset, or venture ashore to enjoy the bars and restaurants that make this island famous.

April 18: Back to Road Town

It's time to head back to base, but there's still plenty of fun to be had along the way. You'll skirt around Peter Island to see some amazing little coves and beaches, then the decision is yours: take some more time enjoying the fun & sun at sea, or head back and explore the adventures that Tortola has to offer. **Checkout time at base is at 12:00pm.**

Sunday, April 19:

Get a good nights sleep at the hotel, and some breakfast before heading to the airport. At 8:15am our flight 3M4118 departs Tortola (EIS) and arrives San Juan (SJU) 9:00am. At 12:56pm flight US2022 departs SJU and arrives 4:50pm at Dulles (IAD). At 7:05pm flight US2022 departs and arrives LAX at 9:50pm.

Lagoon 400 is a performance cat with a modern design and advanced performance features. It sails well in light or heavy winds and with twin Yanmar diesels and sail drives will maneuver into any port with ease. Its comfortable cockpit will accommodate up to twelve guests for dining. The Lagoon 400 stands for comfort, simplicity, usability performance and innovative dressing. This version of the cat has four luxurious double staterooms with dressing areas, electric heads and separate shower stalls, and the dining table drops down for another large berth. There's also a flat screen TV/DVD player, and the yacht is equipped with a powerful generator.
